Note: Breadcrumbs - Breadcrumbs will be visible on every page of a Cruise search and highlight the current step of the cruise booking process. Breadcrumbs also allow you to return to any previous step of the booking process with one click.

Note: The **More Search Options** link provides an additional search criterion enabling agents to specify an Embarkation date range or Port to search by.

Choose the fields to search by:

- 1. Choose a Website: using the drop down list (if necessary).
- 2. Choose a **Destination:** using the drop down list.
- 3. Choose a Sailing Date: using the drop down list.
- 4. Choose the **Duration:** using the drop down list.
- 5. Choose a Cruise Line: using the drop down list.
- 6. Choose a Cruise Ship: using the drop down list

7. Choose the Number of Cabins: using the drop down list

Note: The Number of Cabins selection enables the Multi Cabin search feature. This will allow you to book up to four cabins simultaneously.

- 8. Enter the appropriate **Promo Code** in the **Promo Code** field.
- 9. Or, select the promotion from the Valid Promotions: drop down list.

Note: It is possible to enter known Promotion Codes and select Promotions from the initial search page

Note: The fields as listed above are not required, if none are selected the returned search will be for all cruise lines, all durations etc. for the current month.

10. Click the **Search for a Cruise** button. It displays the Cruise Search Results page. This page also indicates the total numbers of results based on the initial search criteria.

Vendor Name: Displays a brief summary of the cruise line and picture links of the fleet. When a picture is selected a detailed description of the ship is displayed along with a list of all sailings dates for that ship.

Ship Name: When this link is selected a detailed description of the ship is displayed along with a list of all sailings dates for that ship. Links named **Staterooms**, **Itineraries**, and **Deck Plans**, when selected open in a separate page. A navigation drop down is provided to display other ships in the fleet.

Date: Displays the selected itinerary with links **View Map** (view map of the region), **Check Availability** (to check availability of the itinerary) and links to display more details about the desired cruise and also details about the arrival and departure locations. Ship Picture: When Ship Picture is selected, the page displayed is the same as the one which is displayed when the user selects Ship Name.

Check Dining: Clicking on the dining icon for a sailing will display all available dining options for the sailing.

Note: **From Prices** by category, if available, is another field displayed on this page. It may not be an accurate reflection of the current price. Use it only for guideline.

11. Click the **Check Availability** link for the desired cruise. It displays the Select Number of Passengers' page.

Note: By clicking on the check box next to **Past Passenger**, the Past Passenger number, Gender, Title, First Name, Last Name, and Date of Birth fields will appear for all passengers. (i.e. If you select four passengers then four fields will appear for Past Passenger information). Fill in the necessary information for the appropriate passenger(s) and de-select the non-past passenger guests. *Please be aware the Past Passenger Rates will show in the "rate code field" once selecting the fare code. You may be given the option to view the past passenger rate, however, the Past Passenger Rates <u>cannot be booked</u> unless the Past Passenger number and all required information is filled out on this page.*

Note: Cabin Tabs For any cruise booking with 2 or more cabins each cabin will be represented by its own tab. Clicking on a cabin's tab will display that cabin's information for viewing and modification.

12. Choose the desired number of passenger types using the drop down lists in the appropriate fields.

13. Check the following if applicable:

a. Click in the **US/Canada resident** check box – for PCL it is required; if you are in a PCL or HAL search the option requires a Nearest Airport Code or City name. Enter a City name or Airport code. In the following EWR was entered after checking the check box.

b. Ensure you click the displayed option (shown above highlighted in blue).

For other cruise lines the following option is displayed when selecting residency.

US/Canada resident? State/Province of Residence: Alabama

c. Choose the desired State/Province using the drop-down list. States, are listed alphabetically first and then provinces.

Note: PCL is the only cruise line at this time that requires residency information. There is no pre qualification in the booking process for residency selected on this screen.

d. Click in the **Include cruise line airfare** check box (..) – It displays departure Airport City/Code: field, it displays the **Departure Airport City/Code** field.

e. Enter the Departure Airport City or Airport Code (optional)– as you type in the field a list of airports based on airport/city area will be displayed. Choose and airport from the list.

f. Click in the **Past Passenger** check box – It displays the past passenger data fields.

Note: Past Passenger Look Up is available for Carnival and Norwegian cruise lines. After selecting the Past Passenger option, click on the **Past Guest Lookup** button. The following pop up will appear:
